

Application for admission to the aptitude process
Master International Tourism Development

I hereby declare that I agree to take part in the admission procedure to determine my suitability for the Master's degree programme "International Tourism Development" at the Degendorf Institute of Technology and that the necessary data will be recorded and passed on to the persons involved in the process.

As soon as the application has been uploaded in the Primuss portal, you are registered for the admission procedure and will be invited to it by mail.

The result of the examination will be communicated by a written decision.
